1. Brief description of the method of survey

Student Satisfaction Survey (SSS) is primarily focused on the determination of the level of satisfaction of the students regarding Teaching Learning & Evaluation process followed in our college. It is conducted every year from the final year/final semester students (both UG & PG). The responses from the students are collected based on the questionnaire guided by NAAC. The questionnaire of SSS covers twenty one questions out of which twenty questions are of objective type and one question provides the opportunity for the students to give their suggestions in descriptive way to improve the quality of the teaching learning process of our college. The response is based on five point scale as given in the questionnaire.

4. Report

From the above analysis of the survey, we have found out some important key factors regarding the satisfactory level of the students on the teaching learning process of our college. It is found that a high percentage of students (84%) had expressed their satisfaction for the overall teaching learning methodology of our college. They have expressed their appreciation regarding the methodology/approach of teaching. Most of students claimed that they can freely communicate with the teachers. This has enhanced the quality of teaching of our institute. The students also highly appreciated the fairness in the evaluation process. Students are also interested with the ICT tool based classes. The mentorship process has found to be helpful for a great number of students. They are also appreciated the internship opportunities and they are eager to get it more in future. The IQAC and college authority give utmost attention to the findings of this survey and try to take actions to keep the most of the students satisfied.
