NOTICE

You all know that except a few areas, almost the entire State of West Bengal has been facing an intolerable scorching heat-wave since last two weeks. In this condition, taking water at a frequent interval is must to keep our self fit and fresh.

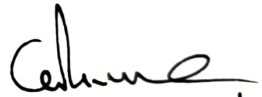

Under this backdrop, it is notified to all concerned (students, teachers, non-teaching staff and others) that **we all will drink a glass of water at an interval of 2 hours during the college working hours every day.**

With a view to implement this initiative as everyone's practice, arrangement has been made to ring **warning bell at 11.30 am, 1.30 pm and 3.30 pm every day so that we would take water regularly during office hours.**

Cooperation from all is solicited.
