## NOTICE

### COMMENCEMENT OF CLASSES IN OFF-LINE MODE

In continuation to our earlier notice circulated on 29.04.2022, it is hereby notified to all concerned that the **offline mode of classes** in our college will resume on and from **10.05.2022** as per the existing routine in force.

This has been decided because of the fact that the competent authority has advised to undertake off-line mode of classes keeping in view the diminution of harsh heat wave condition.

All the student, teacher and other staff are requested to take note of it and act accordingly.

Further notified that the college will remain closed on **09.05.2022** on account of **Rabindra Jayanti**.
